Dear O.

Many thanks for your letters. You must excuse my silence but as I wrote to Louis. I had and still have trouble with my arm, hence I was greatly restricted in all my movements. I hope the many attractions of St. G. will not keep you too long and that we shall have the pleasure of welcoming you back to the Valley soon.

Life is as usual here - only the last few Days Mother had a headache. However she feels already better.

The Baker's have not arrived as yet and we were spared of other visitors also.

Just your cable arrived about Pact to be signed in Chiefs office etc.

This is very good news.

The present bad feelings with „Relatives" is most expedient for certain „Matters" Have intended long that Germany declares her rearmament yours after the Pact is to be signed.

I close with all best wishes and thoughts

Rp. Meine Eltern send ~~[illegible]~~ their best greetings
