WHAT

United Asia

Will Do

Record, review and interpret all aspects of Asian Affairs from an objective, non-partisan and impartial point of view.

Offer the best minds of Asia and the world an open forum for the expression of views and opinions on all vital Asian, Inter-Asian and International problems affecting the destinies of the Asian peoples.

Encourage the study and greater knowledge of Asian Affairs among all progressive peoples of the world.

Promote true understanding, real friendship and enduring co-operation among the peoples of Asia.

Interpret progressive Asia to the non-Asian world, and help lay the foundations of a lasting International Understanding essential for a new world order.
