OF PROF. NICHOLAS ROERICH.

MESSAGE

From

DR. GEORGE G. CHKLAVER, LL.D.,
PARIS UNIVERSITY, PARIS, FRANCE.

On the day when Professor Nicholas Roerich's 90th Birthday Anniversary will be celebrated in India, all my thoughts shall be with those who will be listening to the speech broadcasted by his most worthy Son and Heir, Svetoslav N. Roerich. It is a cherished reminiscence of my life that I have had the honour to be associated with the work of one of the greatest men of our epoch. Nicholas Roerich has been a glorious Leader, and it has been a precious experience for me to assist him for so many years in the World Movement symbolised by the Roerich Banner of Peace for the Protection of Art and Science.

All the Nations owe to Nicholas Roerich an everlasting tribute of gratitude for what he has achieved in the noble cause of the promotion of Culture and of a better understanding among the Peoples of the Earth.
