INNOVATIVE BANKING
6TH ON THE SPOT DRAWING CUM PAINTING
COMPETITION HELD ON 25TH NOVEMBER 1984

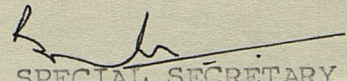

Perhaps you are aware that as a part of Children's Day celebration, we have been organising an on the spot drawing-cum-painting competition for school children each year since 1979. In fact our first programme held on 14th December 1979 was graced by Dr. Roerich who was kind enough to be the chief guest and distributed prizes to the winner.

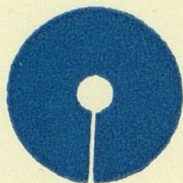

2. We now intend organising a function on Friday the 21st December 1984 to award prizes to the winner of the 6th competition held on 25th November 1984. This year 616 children from around 65 schools participated including 85 disabled children.

3. In continuation of our visit to your residence and subsequent telephone request, we are thankful to you and Dr. Roerich for having kindly agreed to grace the occasion and distribute the prizes. We will be delivering the printed invitation shortly.

Thanking you once again,

Yours faithfully,
