Mr. Nicholas Roerich

Dear Mr. Roerich:

We have been reviewing our authorities files and have noted that the power of attorney executed by you to Mr. Louis L. Horch, in connection with your account here, is quite old, dated back to April 1926.

At the suggestion of our Counsel we have recently adopted a standard form of power of attorney, two copies of which we are enclosing herewith. It would help us materially if you would be good enough to execute this form of power of attorney, forwarding one copy to us, the other to be retained by you for your files.

Thanking you for your attention, we are

Very truly yours,

Signed: W.H.Pares
