Dear Professor Roerich,

Since Mr.W.will not deal any further with Frances nor Maurice he has requested me to inquire of Nicholson in regard to his loan of \$4500.- He was advised by Frances that this sum was to be invested in a cooperative Bank and would be deposited with a Mongol. Bank. As this Cooperative Bank did not materialize Mr.W. would like to have this money returned to him at the earliest convenience.

Please advise me about this matter as Mr.W.is anxious to hear about it.

Very truly yours,
