Subject: Tax in respect of PNN-339, now HIM-544.

Please refer to your memo: no: 750-ML, dated, Dharmsala the 14th May, 1953, received here the other day

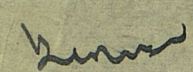

The car, as is evident from the record, was purchased by me on 21-5-1947 and got registered here as HIM-544, the same day. The question of the payment of tax for the 4th quarter ending with March, 1947, does not arise. I think, it was for Mr. Roerich to pay it. Besides, his Manager, who was authorised to negotiate and bring about the sale of the car, assured me that he had fully paid up all Government dues.

As regards the payment of the tax for the first quarter of the year 1948-49, the necessary dues as required under the rules obtaining here at that time, were fully paid for the whole year, at the time of the Registration of the car. Hope this will make the position clear.
