Dear Mrs. Fosdick:- Re:- 1 pkge Watercolor paintings
from Helena Roerich-Naggar
Kulu-Punjab-India, arr, d
via Parcel Post-5/11/44
value \$120.00

Referring to telephone conversation of yesterday, we would ask that you write to the shipper at once, and advise her to take out a U.S. Consul Invoice-Non-Purchased form, also certificate of the Artist, this certificate must state that these 6 paintings were made by him and are originals, the nearest consul to the shippers will help her, or she may write to the U.S. Consul at Calcutta India, which we understand is the nearest and he can send her the forms, as you must have these forms back here and your bond cancelled prior to November 18th, 1944, as this bond cannot be cancelled only upon surrender of the documents, or extended.

We will deliver the shipment as soon as released by the customs.

Very truly yours,
