Dear Sirs,

Your firm has been recommended to me by Mr.H.Fook Chong, Bootmakers from Darjeeling.

I need cheap woolen or halfwoolen Chinese or Japanese socks (WITH THE BIG TOE SEPARATELY) in either black or khaki or darkbrown or dark-frey, corresponding to the two English sizes 9 and 10 $\frac{1}{2}$. You can send me one pair of each this size, if they do not cost more than Rs:1/3 per pair, but the main thing is that THE BIG TOE IS SEPARATELY knitted.

As I shall want more of these later on, also in different sizes and color, I would be glad if you would let me know what and at what price you can offer. Do you also stock long socks (known as golf hose) with big toes knitted separately?

Awaiting your early reply and hoping to receive two trial pairs size 9 and 10 $\frac{1}{2}$ by VP to above address

Yours very truly

Please pack well as mail is roughly handled here.

Dear Sirs,

Please send pricelist and samples
of your Pullovers.

A friend of mine recently brought
a very nice pullover of your manufacture
for 3/8 from Amritsar of which I enclose
the tag. The color was a mixture of heather
and green, size as per enclosed tag. I am
especially interested in this and similar
designs and colors.

There are several of us here who
liked this pullover and I should therefore
like to have a full variety of your samples,
as well as all the prices. Please also let
me know whether sweaters are of same design
and price.

Thanking you in anticipation of

Dear Sirs,

I thank you for your pricelist and letter of the 13th inst. (enquiry No:7231, Mail Order Dpt). but much regret you have no samples for garments.

Anyhow I will risk ordering two sports PULLOVERS, No:100, (one SM size, the other M size, at 3/8 and 4/- respectively) and request you to send me these in the HEATHER & GREEN mixed shade, the same as per label which I sent you with my previous letter.

It is very regretful that you do not have small samples (which I would certainly promise to return if necessary) of other shades, as I want more pullovers, but do not want to take the risk of receiving colors which I may not like. The nearest shop from here is some 200 miles, and I can only order by mail. I will therefore have to try other manufacturers as well, who may send me samples, unless you could at least send some prints or descriptions.

Please send the above two ordered pullovers WELL PACKED (as mail is very roughly handled by postal runners up hill here) and please despatch as early as possible. Thanking you in anticipation of your early delivery,

Dear Sirs,

Please send me by VPPOST, WELL PACKED

- 1 pair Gents Brown Box Calf, BROGUE, with crepe
rubber sole shoes, size No:7. Rs:7/-
- 1 pair Gents Light Brown Box Calf, Brogue, with

- 3 pairs SANDLES (I hope they also have rubber
crepe soles), Size No:4,7,10 (one pair of
each size). @ Rs:2/4 each.

I notice that the sole sometimes has a tendency
of becoming loose, please let me know what I
would have to do if it becomes loose. Is there
any guaranteed glue to stick or can they be
given to a local mochee to be hand sewn?

I also have two pair of No:10 gents brown
oxford shoes, could you put thin ~~rubber~~ under
soles to them and the same crepe rubber sole
on top, with heels, and what is the charge per
pair? As I have to pay the double postage it
would not be worth while, if the soling is ex-
pensive, but the shoes otherwise have a very
good upper leather.

Dear Sirs,

I am in receipt of your parcel as per bill No:417, and I very much regret that you sent me short axle rods, as I have plenty of these, and I only have trouble and expense now with return postage.

I am returning the 4 axle rods herewith, also the one hinge, as I can do nothing with one hinge. Please do not send me more hinges, as I do not like them. Please send me however by V.P.POST, WELL PACKED, as mail is very roughly handled up hill here :

- 4 long 11 1/2" axle rods
- 3 Dunlop tyres 2" 142A, @ 6 Annas
- 4 No:20a, 2" Pulley wheels with centre boss and set screw to suit the tyres, @ 2 Annas each
- 3 No: 59 Collars with set screw @ 3 Annas
- 3 No:64 Threaded bosses @ 3 Annas
- 2 doz. No:62 Woodscrews, round head, 1", @ 4 Annas
- 1 No:24 Bush wheel . What you had sent me instead of this, was a No:26 Pinion wheel, which I will however keep. Only it costs 2 Annas less, which please deduct now. Please send the No:24 BUSH WHEEL as per illustration.

Please deduct from the above amount of order, the value of the rods and hinge returned herewith & also 2 Annas, and collect the remainder by V.P.. Please take good care in sending exactly as above ordered.

Thanking you in anticipation of your early delivery

Yours very truly

Re: EVERSHPAR

Messrs Arnhold & Co, Ltd
100 Clive Street
Calcutta

Dear Sirs,

I recently came across your EVERSHPAR advert in the press and it occurred to me that I may again be able to do some business in this line.

I have been - as owner of "World Service", sole EVERSHPAR wholesale dealer for the Baltic States, Europe (as you will find in old issues of "Tips and Nibs") and living now out here, I find many people buying all sorts of rubbish instead of the good quality EVERSHPAR pen & pencils. You need not waste time in persuading me of the quality of these products - I know them, there are no better. And although the district here is small, and the people rather poor, there being but a few Europeans in the whole Valley, yet, why not do the business, whatever can be done. I would therefore like to ask you whether you would be willing to supply me with Wahl products as sole sub-agent for Kulu district, and what discounts you are prepared to give me from the retail price lists? I am prepared to take all goods from you by V.P. POST, with reservation of right to return, in exchange for others, unsaleable articles within a month from date of receipt, postages both ways to be paid in that case by me.

Please send me by return the complete latest catalogue, as well as all pamphlets and leaflets, which you have available for India (in English and Urdu) and list of retail prices to which I shall keep.

As an introductory business I have an order for:

- 1 silver plated EVERSHPAR No:20
- Black & gold fitted fountain pen No:726 AZRC
- 1 complete fountain pen holder in walnut, for desk pen, with broad (stub) very soft No:2 nib, but without base (there are such on round steel brown-gilt base), though complete with swivel, bolt and nut.

Please quote prices for these items.

I have myself about a dozen Wahl articles with me, and never miss an opportunity to recommend Wahl products.

I may add that in view of the small district I cannot undertake to guarantee any minimum sale (but may state for your in-

formation that in the Baltic States I sold in one year for \$5000.00 net and you may find my rise of sale in the "Sale flight record" for 1927/28), and that I would only work directly with you, the Wholesale Distributors and Stockist for Northern India, and not with any sub-agent, nor any shop in Lahore, etc. who never keep full stock and are never fully informed of complete stocks. I mean this as principle of business, not that I have anything against the small dealers, nor do I even know whether you have any in Lahore, but if I begin this line, then I want to be well supplied with fresh stock directly from the main source.

Awaiting the pleasure of your early reply
