Dear Sir,

I hasten to convey my grateful thanks to you and your doctor for your kindly help to my daughter in her sudden illness during her visit to Kulu. She has told me how very kind and sympathetic you all were to her and I cannot find words to thank you adequately for your timely and useful assistance.

Yours sincerely,

Dear Sir:

From your letter of the 5th October, we understand that the health of your daughter is much better. We were only too glad to be of any help to her when she was taken ill so suddenly during her visit here.

Hoping she is quite recovered by now, and with best wishes to you and your family,

Yours sincerely,
