Trivandrum,

26th August 1941.

Dear Mr. Roerich,

Received your letter today. Many thanks. I submitted to Her Highness about Gupta and - paintings; don't worry. It was interesting to hear about the portrait.

I am to find out if you consider coming to Travancore during the Birthday season. I am sure Travancore will be delighted to have you. Please let me know by return if you can come. Her Highness is very keen to have you at that time. Moreover we will be able to discuss matters connected with the proposed Art Gallery, Cape Government House, etc.

I note you are still very busy; but I

think it is better to be always actively occupied
with something or other.

With kind regards,

Yours sincerely,

John W. ...
