This notice is sent to you because your church is involved in our plans. The chief reason that we are bringing a large group of young men to your church is based upon the hope and desire that your church will attract these young men to your regular memberships through the Young Peoples' Society. If anyone from your church desires to make the pre-church visit with us, we would be glad to have them. We hope through these activities to arouse in our guests a greater interest in the New York churches. If you have other suggestions we would certainly be glad to consider them.

Sincerely yours,

*Jack H. Whittington*  
Jack H. Whittington,  
Director of Religious Activities.

*P. S. you can readily see that those whom I shall bring with me have a cultural interest, or religious appreciation. Note all the places we plan to visit. Sincerely J.H.W.*
