THE UNIVERSITY OF THE STATE OF NEW YORK

THE STATE EDUCATION DEPT.

ALBANY

August 8, 1933

Dr. Dagobert D. Runes, Director  
Institution for Advanced Education  
111 East 15th St.  
New York, N.Y.

My dear Dr. Runes:

On the recommendation of my associates who have consulted with you in regard to the lecture courses offered by the Institute for Advanced Education, I am approving the following courses for two semester hours' credit each under the alertness clause of the New York City Board of Education.

Introduction to Individual Psychology by Dr. Alfred Adler S  
Social Aspects of Endocrinology by Dr. Louis Berman  
Psychoanalysis in Education by Dr. Smiley Blanton  
An Approach to Modern Music by Adele Katz  
The History and Development of Psychology by Dr. Jastrow  
India's Philosophy of Life by Fritz Kunz  
Seminar in Abnormal Psychology by Dr. W. Beran Wolfe  
Modern Trends in Education by Dr. Albert J. Levine  
A Survey of Modern Ethics and Culture by Pierre Loving  
Voice Training in Classes by Ivah L. Bradley  
Psychology of the Physically Handicapped by Jacob S. List

This is with the understanding that you will exact the procedures given in Dr. List's letter of July 24th and will increase the length of the lecture period as indicated in your letter of July 25th to 1-3/4 hours. We are notifying the New York City Board of Education of this action.

Very truly yours,

H.H. Horner  
Assistant Commissioner
