Copy. Office of the Curator of Imperial Palace Gardens, Livadia, 15/2/1915.

This Office certifies hereby that Nobleman of Warsaw Province A.T. Nowakowski has been directed by the Imperial College of Agriculture, Yalta (after the final examinations) to learn here practical - theoretical - systematical lines of Applied Botany, Gardening, Farming Forestry, Fishery, Construction & Maintenance of Plantations for the period of 1 year. During this period he has shown great ability, skill, efficiency & extreme knowledge in the problems of Experimental work & Research towards improvement of General Agriculture & its applied lines.

Therefore he is recommended as qualified Botanist, Florist, Planter and in recommending him I have the pleasure to state that he is trustworthy, honest, hardworking & has blameless record of reputation. It was proposed a good post for him here - which he declined for the sake of getting more experience abroad. I am very sorry to part with such brilliant scholar & who has been good example to others.

Signed ..... Curator of Imperial Gardens & Farms.....

Guest House, Bahawalpur State, India. (on deputation) Prof. Hogson,  
of the California University, U.S.A. August, 2nd, 1945.  
Prof. Nowakowski has been in the service of Bahawalpur State, India,  
for 4 years as Supdt. of Gardens & in charge of Experimental Fields.  
During my occasional visits to this State on Govt. Duties I have  
observed his activities & I can certify that he knows his work  
thoroughly and is an expert in Horticulture - Agriculture, General  
Farming, Gardens, & Animal Husbandry.  
I have found him to be a very sociable fellow & always ready to  
explain any question concerning his work & to give advice that is  
requested. He is an asset to any concern that is keen on  
modernisation of Industries with regard to Agriculture.  
Signed.....

This is to certify that you were in the services of this State for  
4 years since the August 1941 to the above date as Gardens Supdt. &  
I/Charge of Horticultural operations also Research & Experimental  
Station. You have carried out your duties well and all the Gardens  
were considerably improved by you. You have also introduced here  
many Commercial valuable plants that were not yet cultivated here  
before and all your Experiments were successful. You were granted  
£.200/- as per H.H. desire in recognition of good service.

Signed..... Minister...

---

Kangra Valley Tea Planters Association, P.O. Kangra. Palampur. India.  
Aug. 1940.

Prof. Nowakowski served in various Tea Estates in this Area as  
Adviser & Experimental Officer for over 2 years and resigned from the  
services on his own accord. I am authorised by all the Owners of the  
Estates to state that his services were appreciated & that due to his  
endeavours many improvements were accomplished here including  
increase of produce due to his methods. He is of amiable disposition,  
hard working, honest, reliable, in every scheme contemplated.

I recommend him to any Tea Estate or other Estates as one of the  
most valuable asset. He is an Expert in Medicinal Plantations also  
in Gardens.

Signed..... Secretary.....
