

OF LIFE!

Accept This Sealed Book of Facts

Do you have unrealized hopes? Are the better days of life always just beyond your grasp? Have your hopes changed—but have you? Do you believe that some were born to live better lives—to have fame, fortune, and still others destined to be failures? Are you able to demonstrate your ability in your affairs, to put your circumstances to rest, and move forward to a better life? If not, it is time that you learn the *psychology of life* and learn to solve **YOUR PROBLEMS.**

It requires no greater mental effort to *achieve* what you know how. Successful living is the simplest art in the world. It consists of combining *initiative, foresight,* and the combination of experiences into new and better ways. The knowledge of this art was preserved centuries past through the per-

been preserved by the Rosicrucians, an age-old, world-wide fraternity (not a religious organization).

The Rosicrucians offer to you—if you have the courage to break away from limited forms of thinking, these same simply expressed truths of life, which have led thousands to a joyous method of better living. If you are sincere—use the coupon below and secure the fascinating free book, "The Secret Heritage," which tells how you may receive this knowledge.
