

# PAKISTAN FLAG MADE IN U.S.

NEW YORK : When Pan-American Employees found that it was impossible to get a flag of the newly created Dominion of Pakistan in Karachi, they radioed New York for assistance. In the fabric shops at LaGuardia Field, this flag, measuring 6 feet by 4 feet in green and white, was made by MINNIE GWINNER (above). It was flown to Karachi only 24 hours after the message was received.
