Dear Sir,

I am glad to learn that you are going to celebrate the 90th birth anniversary of Professor Nicholas Roerich. We have great admiration for the work of Nicholas Roerich. It was in 1923 that he settled at Naggar in Kulu Valley in the Punjab Himalaya. Here till his death in 1947, he painted large number of paintings on the Himalayas. He made a deep study of the rocks and mountains of the inner Himalaya. His landscapes have an atmosphere of spiritual calm. His glowing colours reveal the beauty of the Himalaya and still enchant us. I send greetings to you on this occasion, and wish the anniversary celebrations of this great man success.
