

10th January 1985.

Dear & Esteemed Friends & Comrades,

I am sorry that I am not able to meet you all today and to tell you personally how happy I am that an Exhibition of Literature on my Father and a few of his paintings will be shown at the Cultural Centre of the Soviet Consulate in Madras.

As you know well, my Father was closely associated with the Cultural life of India and he would be very happy to know that this Exhibition is being shown in Madras.

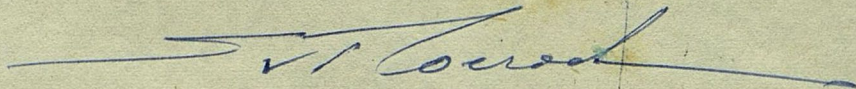

I take this opportunity to thank the Consul General of Madras, Mr.Cherepov, Mr.Molchanov and all the members of the Consulate for their solicitude and kindness in the arrangements of the above Exhibition.

The vast Literature which exists on Prof.Roerich, a part of which is exhibited now at the Cultural Centre bespeaks the wide scope of his interests and activities. Sometime when I visit Madras, I shall be glad to meet you all and speak about my Father and his creative work.

I enclose a short text of one of my Broadcasts on my Father which may be read to you by Mr.Molchanov.

Thanking you all and wishing you a very happy and successful New Year,

Yours sincerely,

(SVETOSLAV ROERICH)
