His Excellency,
Prof. Nicholas de Roerich.

Your Excellency:

It gives us great pleasure to inform You that Your Message to the Schiller Festival arrived, and the members of the Roerich Museum Committee asked us to convey to Your Excellency their deep gratitude for Your enlightened Message.

It has been decided by the Committee to translate Your Message into German also and to read it at all the events which will take place during the Schiller Festival.

We are glad to inform Your Excellency that all necessary steps are being taken to make this Festival a great cultural event. An exhibition of Schilleriana is being planned by Dr. Peterson, in connection with the Festival to be held in the Roerich Museum Library.

With profound respect and greetings from all the members of the Roerich Museum Committee, we remain

Cordially,

M. M. LICHTMANN
