

KALIMPONG,

To

The Vice-Chancellor,  
Allahabdd University,  
Allahabad, U.P.

Dear Sir,

I have learnt from Mr.S.C.Sengupta about his conversation with you. I have also received from him Nina Potapova's "Russian Textbook, Part I " and Anna Semenoff's "A new Russian Grammar". I have looked through them and consider that Mr.Sengupta is quite competent to teach the two books, and introduce the students of your institution to Russian literature and culture.

I remain, Dear Sir,

Yours faithfully,

It is with pleasure that I recommend my friend  
Mr. Suresh Chandra Sen Gupta, M.Sc., for appointment<sup>t</sup> in  
the Russian Language Departments of Indian Universities.  
His good working knowledge of Russian and wide  
acquaintance with Russian Literature would be a valuable  
asset to these Departments.
