Dear Dr. Tagore,

My friend, the Trenthong Rin-po-che, who is personally known to you, has asked me to write this letter on his behalf. He is most anxious to come to Shantiniketan for the winter term (November - February) to continue his studies of Sanskrit. He would especially like to attend classes in Buddhist Sanskrit and epigraphy which would enable him to pursue his studies of ancient Indian manuscripts on his return to Tibet. The Rin-po-che holds the high degree of Lha-rams-pa in Buddhist Philosophy of the sGo-mang College of the Dre-pung Monastery in Lha-sa, and that of sNags-rams-pa in Tantric Philosophy of the rGyud-smad College in Lha-sa. He has studied Sanskrit with me for the last two years. He would be most grateful if his stay at Vishvabharati could be arranged and his programme of studies approved.

In view of his scholarly achievements, I think, it would be an asset if he could bring something of the spirit and ideals of Vishvabharati to his country.

Any advice or assistance rendered to him during his stay at the University will be gratefully accepted.

Thanking you in advance,

Yours very

Dear Dr. Roerich,

During our last meeting at Kalimpong, you very kindly offered to make a gift of all your research publications to our Library.

I have ascertained from enquiry that your agent in Calcutta failed to carry out your instructions and our Library does not possess any of your books.

I shall be very happy, therefore, if you could arrange to have a full set sent to us. As I shall be out of station for next fortnight, may I request you to address the parcel to Mr. K. Roy, Asst. Registrar, Visva-Bharati, P.O. Santiniketan ? I am leaving instructions with Mr. Roy to acknowledge receipt of the consignment and pass on the books to the Library of the University.

With kind regards,

I find on enquiry that the scholarship application of Sri R.N. Rahul is still in the files for future consideration in connection with an Indo-Tibetan Institute which we propose establishing.

Govt. of India has already sanctioned the proposal and it now remains with the authorities of the University to implement the scheme. I must tell you, however, that the scheme as 'sanctioned by the Govt. does not provide for a fellowship or scholarship.

Dear Dr. Roerich,

Lama Chimed Rigdzin of Kalimpong has applied for the post of a lecturer in Tibetan in this University and has mentioned your name for reference. We shall be garteful to you if you kindly let us know if he will be able to teach Tibetan to our students either through Hindi or English. We should also like to know if his knowledge of Tibetan Buddhist literature is such as to be of use to our Research students in the subject,.

It has been difficult to get a suitable Lama for teaching Tibetan. We count on your advice and help in this matter. You may remember, Mr. Tagore had often spoken to you about it in the past.

With kind regards

Yours sincerely,

Director of Research Studies

Dear Dr.Bagchi,

Thank you for your letter of the 8th instant.

You are well aware of the difficulty of finding a lecturer in Tibetan with an adequate knowledge of Tibetan and English or Hindi. Lama Chimed Rigdzin has been teaching Tibetan through Hindi in the Tibetan class organized by the Kalimpong branch of the China-Bharata Samskriti of Calcutta. He has studied at the rDo-rje brag Monastery in Tibet and knows the Doctrine as taught in the rNin-ma-pa monasteries. He told me the other day that he had applied for the post of a lecturer in Tibetan at Visva-Bharati. I think, he would like to get an increase in the initial salary suggested by the university, as he finds it difficult to accept Rs 175/- per month, and he has a family to support. He mentioned Rs. 275/- plus allowance. For a Tibetan his Hindi is very fluent.

With kind regards,

Yours sincerely,

Dear Mr. Sen,

I am in receipt of your letter of the 2nd instant (Ref. G/54/292).

I can recommend the applicant ,Lama Chhimed Rigdzin, for post of Lecturer in Tibetan. The Lama has had regular monastic training in Grammar and Philosophy in several Tibetan monasteries, as indicated in his application. His Hindi is very fluent for a Tibetan, and he has considerable experience in teaching Tibetan in Kalimpong to both Indians and Europeans. I think he will be able to help your research students in their work. He has been to the plains before and knows how to look after himself. This is an important point. He would like to know if the post carries with it a pension. The amount of salary acceptable is indicated in his application.
