The Secretary,
The N.E.F. Agency Secretariat,
Shillong,
Assam.

Sir,

Shri Dorji Tshering, who has applied for the post of Assistant Political Officer, Grade II, has asked me to give him this letter of introduction. Shri Dorji Tshering is a graduate of the Calcutta University in Tibetan, and has a good command of his native tongue. At present he is engaged as teacher of Tibetan in the Kalimpong Government H.M. School, and is in charge of the Tibetan Language Class organized by the local branch of the China-Bharata Samskriti. He has had considerable teaching experience, a rare thing among local instructors in Tibetan.

Yours faithfully,

(G. Roerich)
