To  
The Director of Research,  
Visva-Bharati University,  
Santiniketan.

Dear Sir,

Lama Chire Rigdzin, Lecturer in Tibetan at the Visva-bharati University, has requested me to give him this letter appreciating his work in the Tibetan field. He has completed a Grammar of Tibetan in Hindi and a Dictionary of the Tibetan language. I think his efforts should be encouraged, and his work is of considerable interest for Tibetan studies.

Yours faithfully,

( G. Roerich )
