

A MESSAGE TO THE HIMALAYA KALA MANDIR

by

DEVIKA RANI ROERICH

My husband and I are happy to know that you shall be celebrating the 20th Anniversary of the Himalaya Kala Mandir on September 27th 1969. The dedicated work which you and the members have been carrying on through the venue on this Institution is most commendable and deserves the appreciation and gratitude of all those who have the Encouragement, Research and Study of the Arts at heart.

We wish the staff members of the Institution further achievements and an ever greater recognition of their noble efforts.
