TO DISCOVER A NEW WORLD OF SERVICE

ROTARY CLUB OF BANGALORE INDIRANAGAR
R.I. DIST. 319

TO DISCOVER A NEW WORLD OF SERVICE:

To celebrate the spirit of Rotary's International Service and its goal — "...to encourage and foster the advancement of International Understanding, Goodwill and Peace," the Festival of Global Goodwill-85 has been sponsored by the Rotary Club of Bangalore Indiranagar.

The Festival begins on February 23rd, the day Rotary was born eighty years ago in 1905 and shall close on March 7, 1985 after a fortnight of fellowship combined with fun and festivity.

The essence of the Festival is not only to encourage fellowship among foreigners here but to reiterate the traditional Indian belief that, to us, 'foreigners' are to be welcomed home and integrated as members of the family.

THE ROTARY CLUB OF BANGALORE INDIRANAGAR

The Club was chartered on the 25th of February, 1981 and is one of the Premier Clubs of RI Dist. 319. Over the short span of four years the Club has done outstanding service to the Community. Some of the major community service projects undertaken by the Club are, construction of a primary school building and provision of drinking-water facility at the adopted village, Garudacharpalya; Construction of two cottages for the aged at Cheshire Home and a High-School building at B Narayanapura Village.

In the year 1982-83, the Club organised a mammoth youth

festival at the Bangalore Palace Grounds which drew the entire student community of Bangalore. In the year 1983-84, the Club focussed its attention on Vocational service and organised 'Rotex 84' an Industrial Exhibition at the KSCA grounds.

This year the Club has decided to pool its resources towards the cause of International Understanding, in response to the call of Rotary International President, Rtn. Carlos Conesco to "Discover a new world of service". The Club has planned a number of activities, the highlights of which appear in the following pages.
