

MESSAGE

TO THE PRESIDENT MR. VLADIMIR ZHIVKOV AND THE
MEMBERS OF THE CIRCLE OF FRIENDS OF "LYUDMILA
ZHIVKOVA" INTERNATIONAL FOUNDATION IN INDIA.

7TH JANUARY 1989.

Dear Friends,

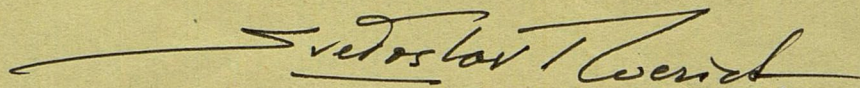

We send our best thoughts and wishes on the occasion of this outstanding event in the Cultural Life of India and Bulgaria - The Inauguration of the Memorial Center dedicated to the Memory of Lyudmila Zhivkova.

Lyudmila Zhivkova was a great Cultural Leader and had she lived she would have given to us many centers of Unique Cultural value.

I had the privilege of knowing Lyudmila Zhivkova for several years and our relations had grown into a beautiful friendship which grew with so many practical plans regarding the future.

She was quite an exceptional person full of plans and ideas concerning the future, broad in the scope of her thoughts and plans, beyond any prejudices and narrow limitations.

Her passing was a very great loss to India, Bulgaria and the World at large.

(SVETOSLAV ROERICH)
