Venerable and Beloved Friend,

We thank you very much for your inspiring articles: "THE QUEEN OF HEAVEN", "RAJ-RAJESVARI", and "SHANTI!". We will publish the articles in the Vision one after another in its future issues. Ramdas particularly liked the article- Raj-Rajesvari. Mother of Peace can alone by Her Grace bring harmony and peace in the world. All victory to Her!

With our hearty love and greetings.

Ever your Self,

Ramdas

Dear Professor Roerich,

It was a most pleasant surprise when Mr. Dhingra handed me a packet of your contributions to the press. Not only I, but my whole family and friends will read these with interest and with profit.

Our pleasure on receiving these publications was still further enhanced when Mr. Dhingra gave me some copies of your pictures also.

May I, in the end, mention what a great pleasure it was for all of us to meet you, Madam Roerich and your two talented sons. We now look forward more than ever to further meetings with you and your family.

With kindest regards,

Yours very sincerely,

PUBLICITY DEPARTMENT.

Sept. 11, 1942.

Dr. Nicholas Roerich,
Naggar Post,
Kulu Valley.

Respected Dr. Roerich,

We have been in constant touch with you through your writings, and articles about you. Unfortunately, however, we have not been able to pay our homage to you and undertaken a pilgrimage to the shrine of beauty that nature has built up around you, and you have crystallised inside your ashram. Mr. Uday Shankar has been longing to go to Kulu Valley but the responsibility of work here has always imposed a great restriction on his freedom and movements.

During the Durga Puja celebrations during the second week of October, we have out-door performances, exhibition of painting and handicraft by students and Ramaleela in shadow play. On this occasion we also bring out a special Puja number of the "Centre News", a monthly bulletin issued from the Centre. For this special number we will feel very grateful to have a short contribution from your valuable pen on any aspect of Art and Culture that you feel inspired to write about. For an idea of the "Centre News", I am sending under a separate cover, a copy of our last Puja number. If the article arrives by the last day of this month, it will be quite in time for publication.

Mr. Shankar sends his greetings and respects to you and believes that he will soon have the privilege to go to Kulu Valley and see you.

With regards and respects,

Yours sincerely,

Rajendra Shankar
