Respected Sir,

We must thank you for contributing your valuable articles for the Comrade regularly. We cannot find words to thank you for taking the trouble,

We wish to inform you that in May we are taking out our Best Unity Special of the Year. It will consist of about 100 pages and will be printed in double colour. Articles, poems, messages and cartoons on Unity and allied subjects will be published in it. We are approaching all to write special articles for us.

We request you to kindly write the articles or poems on these subjects and then send to us before 30th March so as to enable us to give it the best position.

We hope you won't disappoint us. A message will also be much appreciated.

We remain,

Yours...
