

THE LINGUISTIC SOCIETY OF INDIA, LAHORE.

GOVERNMENT COLLEGE,
LAHORE.

15th July, 1929.

DEAR SIR,

You will be glad to learn that the Linguistic Society of India has resolved to bring out a commemoration volume in honour of Sir George A. Grierson's completion of his life-long work 'The Linguistic Survey of India' (vide Proceedings of the Annual Meeting). We think you will agree that it will be a fitting presentation to be laid at his feet as a mark of appreciation and gratitude for the colossal task which he has so brilliantly carried out with such patience and devotion.

We are writing therefore to request you to contribute to this volume and hope that you will find it convenient to write an article (in English, French or German) preferably on a subject connected with Indian Linguistics. However, an article on Indology in general will be welcome.

It is requested that your contribution may reach the Hon. Secretary not later than the 31st of December, 1930. The Hon. Secretary would be glad if you would communicate to him at an early date the subject of your contribution.

Yours faithfully,

I. J. S. Taraporewala.
S K. Chatterjee.
Siddheshwar Varma.
A. C. Woolner.
Gauri Shankar (Hon. Secretary).
