Dear Sirs:

In your book upon "Trails to Inmost Asia" you mention a Finnish lady missionary. I wrote to her. She well recalls your passage. She asks if your book is long or short. I should like to buy a copy to send to her. Would you be so good as to tell me the publisher of the book and if it be possible to procure one at a reduced rate owing to the circumstances?

Very truly yours,

For THE OGONTZ SCHOOL

It would be my personal gift, nothing to do with the school.
