Sir,

Please find enclosed the proof of the title page of the book.
I intended to have the name of my co-author on the same line with
mine, but, of course, it is immaterial.

Please also find the list of Corrections and Additions.

Yours faithfully,

(G. Raerich).

Dear Sir,

In view of the delay in the issue of the above book, I would be grateful, if the Government would kindly issue to me the balance of 18 author's copies due to me before the final fixing of the price of the book.

Thanking you,

Yours faithfully,
