Dear Professor,

Many thanks for your letter of 23.3 and the transparencies. The pictures are just what I want and I should like to reproduce any one of the two blue morning scenes.

Please let me know as quick as possible:

- 1) where I can collect the packing case with the 3 pictures and what authorisation from you I shall need to get them?
- 2) what should I do with the two which are not being reproduced during the block-making period (about 8 weeks)? Should I close the case again and store it where you had it or shall I keep it in the storage corner of my Art Dept. in the Times?
- 3) what are the titles of the two blue pictures?

With kind regards to Devika and you,

*Yours sincerely
Walter*
