Mysore State. S. India.
14th. October. 1964.

Our very dear friend,

Our Minister of Culture & and Education has sent to the Minister of Culture USSR., the enclosed wire and message on the occasion of the 90th. Birth Anniversary of Prof. Roerich. Many other great people have sent messages, and I hope that they will receive at the earliest possible date a letter of thanks. Last time on the occasion of the 60th. anniversary of Dr. George Roerich, such wonderful messages were sent to the Oriental Institute, but neither the President of India nor our beloved Prime Minister received any letter from the Institute thanking them. The heads of State do not usually send messages, and it is due to our request and the respect that the Roerich's have here that such people sent their messages. But it is due to all who sent messages that they are somehow thanked. This has been noted, and it is therefore this time not so easy to ask such prominent people to send messages, still many have done so including our Minister of Culture & Education and he should receive a letter of thanks from the Ministry there.

I shall soon be sending to you as much data as is possible, and will do so as soon as there is a little time.

Please send us all the Press cuttings and articles on this occasion.

With our affectionate greetings,

Yours affectionately,

(DEVIKA RANI ROERICH.)

1. We commence marking your clippings only on receipt of the Contract-Form duly signed and accompanied by payment.
2. Clippings for local clients will be made available daily, and for mofussil clients, bi-weekly or weekly.
3. Where full translations of clippings are required, they will be chargeable at Rs. 16/- per hundred English words.
4. Clippings which we supply are the actual cuttings from the Publications. However, if for reasons beyond our control, the requisite number of copies are not forthcoming from the Press, we pass on to you the true typed copy of the news-item to avoid delay.
5. Clippings from back (ante-dated) copies of Publications will be supplied subject to their availability and only on receipt of payment of research fee of Rs. 40/- in advance (which is non-refundable). The charges for such clippings will depend upon the actual costs involved in procuring them.
6. Our staff readers go through hundreds of Publications every day, and inspite of all precautions and diligence to ensure correctness regarding items of your interest, an error, once in a while, is not quite unlikely. We will be pleased to correct any mistake brought to our immediate notice.
7. In case you are forwarding Press Releases to publications, please include our name on your mailing list for simultaneous release to us of THREE COPIES of each, that you send out to the Press. This will help our staff readers to locate your Press Releases promptly and easily.
8. Clippings rejected on the grounds of being "old (means—local: two days old copy and up-country: eight days old copy) or irrelevant or repeated elsewhere" within three days of their receipt will be given credit. As regards duplication, it is agreed and understood that a duplicate is the same item taken from the same publication of that very date released by the same news-agency.
9. Our supply of clippings from Foreign Press is subject to mail irregularities, if any, that may occur.
10. It may please be noted that TEN DAYS written notice of change of instructions or other than agreed upon or that of discontinuance will be given to us. If any assignment is discontinued abruptly or unilaterally during the course of the month, the reading fee will be chargeable for the whole month. No remission will be allowable in the reading fee, under any circumstances.
11. This Contract is non-transferable.
