(Please typeset for Guruswami
on some paper
message to Veni for Diwali.

On this day sacred to us all let us
unite in our endeavours and ~~rest~~ resolve
to help our great country.

Let the thousands of little flames be
the symbol of our burning faith in the
future, and let us charge them with our
determination to do our work with utmost
whatever our work may be, to build
a great and happy future and always
stand for the best that is in us.

Message to VENI for Dewali:

On this day sacred to us all let us unite in our endeavours and resolve to help our Great Country.

Let the thousands of little flames be the symbol of our burning faith in the future and let us charge them with our determination to do our utmost, whatever our work may be, to build a great and happy future and always stand for the best that is in us.
