

ROERICH SOCIETY

of

NEW YORK

This corporation is organized for the following artistic, scientific, educational and cultural purposes exclusively, to wit:

To promote the advancement and spreading of Culture understanding among all people; to broaden the artistic and spiritual understanding between individuals and nations; to promote and aid in the development of international concord and peace among nations; to spread the art and teachings of Nicholas Roerich and his ideals embodied in the Institutions of the Roerich Museum; and to encourage all efforts in the cause of cultural progress, and to pursue its aims so far as possible through the Roerich Museum.
