My dear Professor de Roerich and Madame de Roerich

We herewith wish to send you a copy of the Resolution passed by the Board of Trustees on August 15, 1929 in regard to the land and buildings at Naggar Kulu, British India, which you were so generous as to donate to the Roerich Museum:

"The Trustees of the Roerich Museum herewith accept the generous gift of Professor and Madame de Roerich of the donation of one acre of land with the house called "Arcadia" situated on Professor and Mme. de Roerich's estate at Naggar Kulu, British India, known as the Hall Estate; and also for their permission to the Institute to conduct all sorts of scientific investigations on all the grounds of the Estate.

It is with full appreciation of the importance of this gift that the Trustees of the Roerich Museum extend to you and to Mme. de Roerich their sincere gratitude. We know that under your enlightened guidance this site will become a scientific and cultural centre whose splendid accomplishments will be written on the pages of the book that records the distinguished achievements that have immeasurably benefited humanity."
