

NOTES:

Letter from H.E. Felipe A. Espil, Argentine Ambassador:

I appreciate very much your kind letter of the 5th instant, in which you ask that Senora de Espil and myself be present and officially open the Exhibition of Argentine Art, at the Roerich Museum, New York, on the 28th of this month.

I am very sorry that this will not be possible, as a series of economic conferences is holding me in Washington through October, and I am therefore unable to make any outside appointments.

You may be sure, however, that we both would be glad to cooperate with your wishes in this if we could, and shall hope to visit the Exhibition later on.

Yours very sincerely,

(Signed) Felipe A. Espil
