Dear Friend,

It is with the greatest pleasure that we announce FRUITS OF MEDITATION by LESLIE GRANT SCOTT, as the next volume of our Contemporary Thought Series, which we expect to have ready by E. stor.

Dealing with a subject of the greatest importance, Mrs. Scott has laid down fundamentals so clearly and with such lucidity of style as to beguile the reader into believing, as is the case, that the axioms themselves are simple. The practice is left undiscussed; results are pictured in clear terms.

Obviously a book of which such a statement is possible is one which every contemplative student, to say nothing of the comparative group, will want to read and own. To make the publishing possible at this time, Mrs. Scott has consented to an initial autographed edition of five hundred copies; this is to be splendid bound, suitable for gifts or your own intimate book table, and printed in clear type. In order to make this possible, we are setting a price of only \$2.50 per copy for this Limited Edition and are attaching an order blank, in the hope that we may have your order. Needless to say, we would appreciate an immediate return so that the volume may soon be in your hands. It is so well worth while having.

Mrs. Scott, as you probably know, is a leading exponent of the Secret Doctrine in this country, a writer of unusual verse, and at the present time, is doing a series of mystical oil portraits in which the sitter is portrayed in terms of sea, landscape or other form. An exhibition of these portraits is soon to be shown and will, if possible, be coincident with the publication of this edition of FRUITS OF MEDITATION

Hoping we may have your reply, we are,

Cordially,
