Dear Mr. Reorich,

I am grateful for your kindness in sending me your Museum Bulletins, the perusal of which makes me feel eager to visit the Institute you are creating in the Himalaya. I do not know when this will be possible. I hope it will be ^{the} in not too distant future.

Your idea of a banner of peace is truly a great one, and I am not surprised that it is receiving both ~~the~~ approval and practical adoption. *I wish it all success*

Yours sincerely,

C. V. Raman
