TO OUR HONORARY PRESIDENT, PROFESSOR NICHOLAS ROERICH!

At this, the closing meeting of the season, we wish to hail our Honorary Presidents, Professor and Madame Nicholas Roerich, and unitedly to send our greetings and tribute to your enlightened leadership.

We wish to express our appreciation for your inspiring addresses, which have been regularly sent to us, and also for your guidance and encouragement in the cause of Culture. It has been our pleasure to serve those lofty ideals of international understanding and "Peace through Culture" which you have so eminently proclaimed.

We should herewith like to voice our ardent desire to have you visit America in the near future, as we feel that in the present world reconstruction, your presence and message are so vitally and singularly needed.

Homage to our Honorary President and Leader,
Nicholas Roerich!
