Dear Mr. Valisinha,

Replying to your kind letter of the 24th, we would be very glad indeed to exchange the Maha Bodhi Journal for our Flamma Quarterly. But as it happens two subscriptions for the Maha Bodhi Journal have recently been paid from here, and a third copy here would really be too much. If you could kindly see your way on refunding my subscription or paying Rs:3/12 for Flamma we shall be glad to send you the Spring issue in March when ready. And for the following years we could exchange subscriptions without payment to each other. Awaiting to hear from you whether this suits you,

Yours sincerely
