Dear Dr. Bose,

On March 15th you kindly wrote to Prof. Roerich promising 300 photos of Sir Jagadis Bose's Portrait for our FLAMMA Magazine. This magazine is now in the press and the issue almost completed, except for the portraits. I had written some time ago requesting to expedite the despatch, but if this has not been sent yet, please urge the delivery of 250 copies direct to the Manager, "Palghat Press" Palghat (Palghat Dtt). South India and 50 copies to us here Naggar, well packed between cardboard, as it would be a great pity if the photos were spoilt.

Since we have to compose the index and plate numbers accordingly, I take the liberty of requesting you to kindly send me the enclosed telegram confirming the despatch in order that I may have index and plates adjusted accordingly by wire to Palghat. Thanking you again and begging to be

excused for the trouble, and assuring you that we are  
very happy at the honour to have Sir Jagadis's portrait  
appear,  
with best wishes

Yours sincerely  
NICHOLAS ROERICH
