Dear Sir,

I have just gone through your booklet 'Banner of Peace'. I must congratulate you for the noble work you have undertaken. To try to ensure that whatever happens - war or peace - the cultural heritage of man remains preserved is, indeed, the noblest work that any individual or organisations could undertake.

I shall be glad to do all I can for this cause if you think living as I do in New Delhi and making a living by journalism I can be useful in any way.

With best wishes.

Sincerely yours,
