M Camille Tulpinck,
c/o Roerich Museum,
310 Riverside Drive,
New York City.

Dear Sir:-

I am in receipt of a letter from Mr. Louis L. Hordt,
President of the Roerich Museum, informing me of the Second
International Conference for the Roerich Pact to be held in
Bruges, in order to promote world-wide adoption of the Roerich
Peace Banner, aimed to protect the treasures of art and culture.

It is with great pleasure that I send my most sincere
greetings to all the members of the Conference, wishing, at the
same time that the Pact so necessary to prevent the regrettable
destruction of monuments and treasures of culture, will soon be
adopted.

Very sincerely yours,
