COPY of letter from the Honorable Robert F. Wagner, United States Senator

September 27, 1933.

Mr. Louis L. Horch, President
Hoerich Museum
310 Riverside Drive
New York City

My dear Mr. Horch:

I shall be delighted to serve as Honorary
Chairman of the Third International Peace Banner Convention
on November 17th and 18th at the Mayflower in Washington.

War is horrible under all circumstances,
and it is particularly so when it leads to the destruction
of some of the most precious heritages of our civilization.
Therefore, I am entirely in sympathy with the project for an
International Peace Banner, and shall be glad to do whatever
I can to advance it.

Very sincerely yours,

(Signed) Robert F. Wagner
