Dear Sir,

On November 17th in Washington U.S.A. there will take place the Convention of the Banner of Peace, dedicated to the promotion of the Roerich Pact for the preservation of treasures of Art and Science.

Knowing of your enlightened moral support of all cultural undertakings and in particular your enthusiasm for this noble idea proposed by Prof. de Roerich, we write to request you to kindly give your message, as well as one on behalf of your Art School.

Several magazines in the U.S.A. and Europe have already decided to dedicate their September or October issue to this epoch-making event in the field of humanitarianism and culture and we would greatly appreciate if you would also let us know whether perhaps some of the periodicals with which you are connected, would like to commemorate this outstanding Convention and should you desire to have any material, we shall be very glad to supply you with same on hearing from you.

Prof. de Roerich desires me to send you his best greetings.

In anticipation of the pleasure of your reply and Message, which will be sent immediately to the U.S.A.,

Very cordially yours,
