Dear Mrs. Horton:

I beg to thank you for your kindness in sending me a copy of the Roerich Peace Pact resolution and the letter of explanation accompanying this. As I am familiar with Dr. Roerich's Pact and Banner, I feel sure that I must have given my endorsement to his movement, so ably directed at the preservation of culture in a war-mad world. If I have not done so, I trust that my name may be enrolled among those who have stated their approval.

In regard to the Community Church, I shall be glad to submit this matter at the next meeting of our body, but I am sorry to report that this does not come until the very end of the year. If any special meetings are called, as may well be the case, I shall see that the matter is duly presented.

It is good to be associated with the Roerich Museum in its excellent work on behalf of cultural and spiritual ideals. We count the Museum a good neighbor.

Believe me, with cordial greetings,

Very sincerely yours

John Haynes Holmes. (Signed)
