

Dear Lordell

As you know I am  
very keen about the  
Russian Peace Pact & I  
hope we can get it going  
via "the Americas" — Will  
you or Henry Wallace talk  
this over & have something  
for me when I get back?

Dear Cordell -

This is a very significant  
thing - I wish you would speak  
to me about it, & try to suggest  
a step forward
