Dear Miss Tweddle,

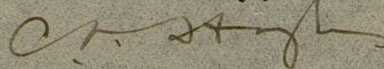

I read with great interest your article on "The Roerich Pact", but I am afraid that this is much too old news at the present moment.

What would be interesting, if you have one, is a picture of the Flag and a short 200 words description of its purpose.

I shall be glad to see you, should you be passing this way any morning about 11 O'clock.

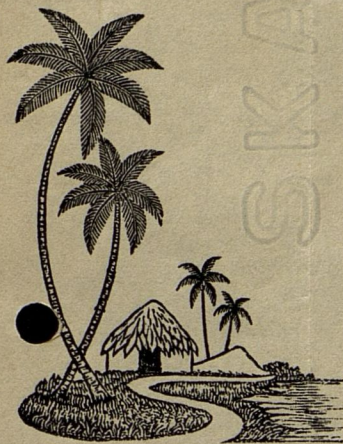

In order to be certain <sup>that I shall be</sup> I shall be glad if you will telephone to me the day before you wish to see me.

Yours sincerely,

A.A. Hayles

Dear Col. Mahon,

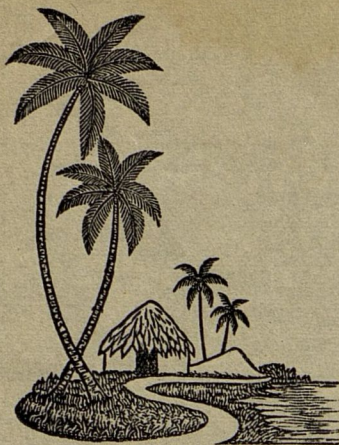

I have been waiting all this time for Mr. Hayles, the Madras Mail editor to arrive from England. The day after he arrived I wrote to him in connection with the enclosed and I am sending on to you his reply. If you think it is possible to <sup>send</sup> write a picture of the <sup>V. M. M.</sup> flag, I will call and see him again.

I wonder if you are still in Manali or have you gone down to Delhi. Wherever you are I hope you both are well and happy. I have such a happy memory of my holiday in Kulu and especially my visit to you. With all good wishes.

Yours sincerely,

B. M. Tweddle

Dear Col. Mahon,

You will be interested to hear that the enclosed appeared in the Madras Mail last Saturday the 9th. I expect you have heard from them direct but I am sending this in case you have not. I hope all goes well.

Yours sincerely,

*B. M. Tweddle*
