

Peiping

March 6th.1935

Dear Williams,

Major Constant of the American Military's Attache's Office here has two friends who will be proceeding to KALGAN on or about the 15th.inst:

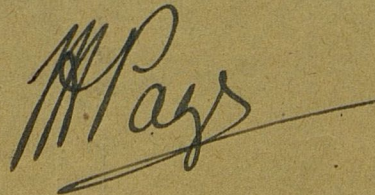

The party will consist of Professor ROERICH and his son. These gentlemen are to proceed on a long trip into Mongolia and expect to be at Kalgan for a few days assembling their convoy.

If you could accomodate the Professor and his son Major Constant would appreciate it very much indeed.

As soon as I get a definite date for the departure from Peiping of the party concerned I will either write or wire you.

Yours sincerely,
